As Pastor I recognize the following and will comply with same:

Safe Environment Education is mandated for every minor enrolled in parish/school programs. The bulk of this training should have taken place during the Month of October which has been designated by the Bishop of Amarillo as “Safe Environment Month” and reported to the Safe Environment Office on or before November 15th.

After November 15th those remaining minors who did not receive classroom Safe Environment Training must then have received follow-up training as offered throughout the catechetical year to ensure every minor receives classroom training or their parents formally opt-out in writing. If after reasonable efforts have been made, every parent whose child did not receive training must be provided with age appropriate materials and documented with minor’s name, grade, parents’ name, and the date. Every minor must be accounted for and documented. This “FOLLOW-UP Parish/School Safe Environment Report” must be submitted on or before March 15th.
