

Preparing  
the *way*

Heavenly Father,

You call each generation to “prepare the way for the Lord.”

We give thanks for those who have come before us, through who’s sacrifice and labor built our churches.

As we prepare to do our part to build up the church in the Diocese of Amarillo; we ask you to give us eyes to see the needs of your church and hearts to respond generously to those needs.

Help us to recognize that all that we have and possess are gifts from you.

And inspire us to share a portion of our time, talent and treasure for the good of your church.

That we may be successful in **Preparing the Way** for our children and grandchildren and generations to come.

We ask this through Christ our Lord.

~ Amen ~
